[RUSH] MESSAGE:

International classification, class H04B is missing the subclass.

Thank you

[XRUSH] RESPONSE:

The old US to IPC8 Concordance only had H04B. There was no subclass.

Since then a revised version has been sent out for examiners to use.

The new class/subclass corresponding to 381/124 is G09F 27/00. Correction is made on the Issue Classification Sheet.

INITIALS: 07

NOTE: This form will be included as part of the official USPTO record, with the Response document coded as XRUSH.
